'Ukulele Workshop

Our workshop will emphasize practice techniques and learning songs. The workshop will provide you workable, easy to apply practice techniques which will provide balance between left hand activity, right hand activity and adherence to applicable music theory principles. The overall goal is to reduce the amount of time it takes to learn new music.

Your Instructors: Kimo Hussey and Zanuck Lindsey form an incomparable duet of ukulele instruction backed by decades of facilitating workshops, live entertainment worldwide, professional recordings and great empathy for students interested in enhancing their enjoyment of music. Come with instruments tuned, ready for some hard work and all the capacity in the world to laugh and have fun!!!

If you play Hawaiian music, you are sure to know the "He Mele Aloha" songbook (dark blue cover) co-authored by Kimo Hussey.

Feather Lei Workshop

Feather lei workshop includes lecture and most materials. We will be making a traditional feather lei using dyed goose feathers.

Your Instructor: Herman Tachera has been a Hawaiian feather artisan for the past ten years and has created numerous feather lei, kahili and 'uli 'uli. He has studied his craft with Paulette Kahalepuna and Mary Lou Kekuewa, Michael Vieira and kumu hula Mark Keali'i Ho'omalulu. He has received recognition and endorsement as a feather lei teacher from Hawaiian Feather Arts masters, Paulette Kalepuna and Mary Lou Kekuewa.
